Uh-ohh

Every single night im staring in her window

(win da da da doe doe doe)

Shes fresh in a towel and the lights are dimmed low

(win da da da doe doe doe)

If you seen, what ive seen, shes a 10 yo

(win da da da doe doe doe)

You would be, (aaaaah) staring in her window (the back
of the windows to the soul)

You would be, (aaaah) staariing in her windooow!

Uh-ohh

My best friend said I couldnt do this no more

(win da da da doe doe doe)

Im like thats the reason very different from my friends
so..

(win da da da doe doe doe)

Coz you seen, what ive seen, shes a 10 yo

win da da da doe doe doe)

You would be, (aaaaah) staring in her window (the back
of the windows to the soul)

You would be, (aaaah) staariing in her windooow!

Uh-ohh

(win da da da doe doe doe)

(win da da da doe doe doe)

Look at her, shes my medicine

In those magazines, and all that oestrogen

I bet she liked me, but my conscious says to guess
again

If she ever did, I would be ready then

The best time to watch is like 1 or 2 O'clock

In a fuckin world she gone come over and rock

I wonder if she'll be down with it a lot

Shes taking off her clothes...

And bout to close to win-dow

Uh-ohh

Shes like the bill through my gates that was entitled

Windows

(win da da da doe doe doe)

She said "dont go micro-soft, your liking when i've
been low, (dont cha, dont cha)"

(win da da da doe doe doe)

I said, if you see, what you mean, cause thats my twin
yo

(de da da da doe doe doe)

And erm, we see u starin in our windows damn.

They caught me staring in her windooow!

Uh-oh

Uh-oohwoaho
