She gets the kids off to school  
Off to work she flies  
She stops for gas  
Short on cash  
Cards all maxed  
She cries  
She digs the change out of her purse

Chorus:  
She never thought she'd be  
A single mom at twenty-three  
She don't know if she can  
But she's gonna be  
Tougher than a man

Out on the steps  
Baseball bat  
Dad's old hat  
He waits  
She watches him through the screen  
Half past three  
He's late  
The cell phone rings  
And she already knows  
Another Saturday, huh  
And he ain't gonna show

Repeat Chorus:  
She never thought she'd be  
A single mom at twenty-three  
She don't know if she can  
But she's gonna be  
Tougher than a man

She walks outside  
Let's him down  
Picks him right back up  
She grabs his glove  
And says, "Batter up"

Repeat Chorus:  
She never thought she'd be

A single mom at twenty-three  
She don't know if she can  
But she's gonna be  
Tougher than a man  
(Tougher than a man)  
Tougher than a man  
(Tougher than a man)
