So you get outta bed sleepy head Don't dream your life
away
Everyday's a dance Don't take a chance To waste
another day
Well you're never gonna win, my friend If you don't get
in the game
What's the worst that could happen?

Well you might find yourself laughin
Laughin laughin and laughin
Or you might find yourself cryin
But your tears will end up dryin
And you'll know you were tryin
What's the worst that could happen?
What's the worst that could happen?

Wag the dog And walk the walk And don't look back
Cause the easy chance is just sittin there And that's a
fact
Now haven't you heard The early bird gets the snack
What's the worst that could happen?

Well you might find yourself laughin
Laughin laughin and laughin
Or you might find yourself cryin
But your tears will end up dryin
And you'll know you were tryin
What's the worst that could happen?
What's the worst that could happen?

It's so much easier said than done
Nothin's worth havin if it comes free
You may not know where you're going
But you can't get there If you never leave

Well you might find yourself laughin
Laughin laughin and laughin
Or you might find yourself cryin
But your tears will end up dryin
And you'll know you were tryin (x2)

What's the worst, what's the worst that could

happened?

What's the worst that could happen baby?
