[Na'Shay talking]
Just tryna let it go, you know
But he won't let it go, if only

Gas up the Benz, call up my friends
Tryna get my get right on
The night life's callin my name
Thinkin bout the past
Your outta sight and outta mind
It would be oh so wrong
I'm tryin to just move on
But someone has my feeling strong

Ring, ring there goes my phone again
And my keep telling me, go 'head and let it ring
But I just can't do it, I just can't do it no
Ring, ring, ring and I know he's knowin
That I won't ignore his call
He's got me open still and I
Wish I could say goodbye but I can't

The boy's blowin me up
He keeps on blowin me up
He keeps blowin up on me
He keeps blowin me up baby
But tonight he's blowin me up again
And he's blowin me up
Blowin me up again
All I want is to be over you
But he just keeps on blowin me up

I just don't know why I can't deny him
He's got my undivided attention
I told my girls to go without me
So I can hear what he's got to say
And tonight I wanted to be with my girls
He keeps me in suspension
I wish he would stay away
But yet he keeps on calling me everyday

Ring, ring there goes my phone again
My girls keep tellin me go 'head and let it ring

But I can't do it I just can't do it no
Ring, ring, ring and I know he's knowin
That I won't ignore his call
He's got me open still and I
I wish I could say goodbye but I can't

The boy's blowin me up
He keeps on blowin me up
He keeps blowin up on me
He keeps blowin me up baby
But tonight he's blowin me up again
And he's blowin me up
Blowin me up again
All I want is to be over you
But he just keeps on blowin me up

Baby, didn't say we can't be friends
So stop callin me, talkin bout relationships
Why can't you see that just ain't for me
Never will be so stop blowin me up

The boy's blowin me up
He keeps on blowin me up
He keeps blowin up on me
He keeps blowin me up baby
But tonight he's blowin me up again
And he's blowin me up
Blowin me up again
All I want is to be over you
But he just keeps on blowin me up

The boy's blowin me up
He keeps on blowin me up
He keeps blowin up on me
He keeps blowin me up baby
But tonight he's blowin me up again
And he's blowin me up
Blowin me up again
All I want is to be over you
But he just keeps on blowin me up
