[Na'Shay Talking]

You know, I just sit alone in my room

And I think about you

How you make me feel

You make me feel like singin

I need your love

Huh huh huh huh

Huh huh huh huh

Huh huh huh huh

La la la

La la la la

La la la la

La la

It's all about the little things

I don't need no diamond rings

(For you to prove your love for me)

Big things is livin lavashly

You're the most important thing to me

Baby, you see what I want is simple

Your all I belong and give for

And I mean nobody else

Your smile and your kisses

Give me everything I'm missin

I need your love

Your sweet love

And your the one

The one for me

I need your love

Your sweet love

And your the one

Can't you see

I need your love

Trust another day is what we

Need to keep this thing goin

Let's forget about everybody

You and me I can't stop

My whole world

Would you feel the same
If I have to worry
But your the only one that makes me happy

I need your love
Your sweet love
And your the one
The one for me
I need your love
Your sweet love
And your the one
Can't you see

I made it to the life of me
Until the very end of time
You'll never have to worry
Bout another in my life baby

I love you (I love you)
Yo
I barely wanna see another chick
As long as she's a friend
As long as we both know we've got each other
I love you (I love you)
I love you

I need your love
Your sweet love
And you're the one
The one for me
I need your love
Your sweet love
And you're the one
Can't you see

Huh huh huh
Huh huh huh huh huh
La la la
La la la la la
La la la la la
La la
La la la la la
Yo
La la la
La la la la la
La la la la la
La la
Yo

I need your love
Your sweet love

And your the one
The one for me
I need your love
Your sweet love
And your the one
Can't you see

That's all I need
I need your love
All for me

I need your love
