Can't take me out of the game
Keep me out of this game
Keep me out of this game
Oh no, no, oh no

You can't take me out of the game
Keep me out of this game
Keep me out of this game
Oh no, oh, oh no, fa sho, oh no

Got me wonderin why (why)
Everybody got somethin to say
But I ain't concerned about
What the hecks on their mind
And what they think so I (I)
About to shine for all the
One's who said I couldn't do my thang
You ain't no friends of mine
So haters this one's for you

You can't stop me baby
You can't fade us baby
Cuz we off the chain baby
And we still in this game baby
So take a ride wit Na'Shay and my girls baby
And you can roll if ya down just don't hate

Can't take me out of the game
Keep me out of this game
Keep me out of this game
Oh no, no, oh no

Can't take me out of the game
Keep me out of this game
Keep me out of this game
Oh no, oh, oh no, fa sho, oh no
