

Cowboy Junkies "Spiral Down"

Visit "[Spiral Down](#)" on MotoLyrics.com

Now it all begins or continues to
Spiral down, spiral down

I've laid it out on paper
Instructions of what to do
As my mind begins to waver
Losing contact with you

Now it all begins or continues to
Spiral down, spiral down

Look upon the self
Look upon the other
We need a better understanding
Now we'll spiral down

Spiral down
Continue to spiral down
I'm no where near my peace
As you spiral down

Now it all begins or continues to
I'm no where near my peace
As you spiral down

I'm no where near my peace
As you spiral down
