I live only here, between your eyes and you
But I live in this world. What do I do?
Collect no interest- otherwise what I can.
Above all I'm not that staring man.

I move like a spirit, between this world and that.
The way to move square on my back.
Collect no interest- and sell what I can.

Above all, I'm not that staring man.

You sit in your tower, straight and tall,
your kingdom around you beginning to fall.
You close your eyes and you hold your tongue.
And every night you check on the damage you've
done.

I live only here between your eyes and you.
Caught in your world, what would I do?
Fear in the air, and I'll make my stand.

Prove once again, I'm not that staring man.

You stand your grand, and you take what comes.
And every night you check on your desire to run.
You stand your grand, and you take what comes.
And every night you check on your desire to run.
I live only here between your eyes and you.
But I live in this world. What do I do?
