Working on a building, a holy ghost building
For my lord, for my lord
If I was a drunkard I tell you what I'd do
I would quit my drinking and work on that building too

Working on a building, a holy ghost building
For my lord, yeah for my lord
If I was a liar I tell you what I'd do
I would quit my lying and work on that building too
Working on a building, it's a holy ghost building
For my lord, yeah for my lord

Working on a building, it's a holy ghost building
For my lord, yeah for my lord
If I was a singer I tell you what I'd do
I would keep on singing and work on that building too
