there's no quick fix  
you gotta take your licks  
strange times long lines  
there are no clean cups  
you gotta mess it up  
to see why you cry  
i can't stay home at night  
i'm drawn out like a moth to lamplight  
do i speak or hold you tight?  
the words are voted out by a landslide  
come on now  
you gotta try it out  
you're killing time  
you're killing mine  
don't go, i'll never know  
when you're away, i sleep all day  
nothing works and thinking hurts  
you belong to me  
in my dreams
