The love of my life is a shady lady  
Tearin' me up just to bring me down  
Used to be calm but now she's crazy  
I don't mind

Tearin' me down like a jungle monkey  
Cuttin' me up like a jungle cat  
Used to be fine but now she's funky  
I don't mind

She's not the love of my life anymore

The love of my life takes my lunch to breakfast  
Nary a thought that a man might starve  
Used to smoke dope but now she's X-ing  
I don't mind

Tearin' me down with a full length mirror  
Prayin' for death while the beauty age  
Go anywhere any man would lead her  
I don't mind

She's not the love of my life anymore

I hurt, you walk  
There ain't no looking for an answer  
When the question's come and gone  
I'll stay, you'll go

There ain't no hopin' for tomorrow  
So I'll pack up all my sorrow  
And find some hope that I can borrow  
I'm just tryin' to save my sanity and soul

I hurt, you walk  
There ain't no looking for an answer  
When the question's come and gone  
I'll stay, you'll go

There ain't no hopin' for tomorrow  
So I'll pack up all my sorrow  
And find some hope that I can borrow

I'm just tryin' to save my sanity and soul

Now my life is a shady lady  
Tearin' me up just to bring me down  
She used to be calm but now she's crazy  
I don't mind

She's not the love of my life anymore
