Uh huh
Thats right
Lets go
ahhh
uh huh
well

Well it looks like I'm a dumbass
I done dropped the ball again
Cuz the women I love is pissed at me
Sayin "This has got to end"
Now I tore it up late late last night
Got way to drunk its true
Can I somehow make it up to her
Is there anything I can do

Chorus:
You've got to tell the girl you're sorry
For anything you've ever said
Tell the girl you're sorry
For makin like she was dead
You've got to tell the girl you're sorry
For leavin her alone and cold
Tell the girl you're sorry
For bein such and asshole

Wiggy wiggy wiggy

So she tells me she's gettin really really tired
Of the crap I tend to pull
Like showin up where she works naked
Covered in baby oil
Now I'm tryin really hard
Tryin really hard
Tryin to keep my evil side in check
But sometimes you just got to kick the cat
And deal with what you get

You've got to tell the girl you're sorry
For being such a selfish jerk
Tell the girl you're sorry

For not caring that her kitty got hurt (meow)
You've got to tell the girl you're sorry
Its true its the only way
Tell the girl you're sorry
For being such a shithead

I'll say I'm wrong
Will this take long
No need for you to go on and on
I earn my keep
Just give me peace
I swear I love you
Let me sleep

Break it down
oh yea
its kinda funky
Think itd be funkier with an organ
Ahh yea like that
Thats pretty funky
Lets get back to the story

Now it seems that I must apologize
Even though I think I'm right
Cuz Lordy knows honey if I don't
There'll be no nookie tonight
So I slowly turn to the woman I love
And say baby baby baby please
Then I watch her smile and point to me
And say "Get down on your knees"

And tell the girl you're sorry
For anything you've ever said
Tell the girl you're sorry
For giving really lousy head
You've got to tell the girl you're sorry
For feelings you can never show
Tell the girl you're sorry
For being such an asshole

You've got to tell the girl you're sorry
ohhhhh
Tell the girl you're sorry
ohhhhh
Tell the girl you're sorry
ohhhhh
Tell the girl you're sorry
