(Chorus)

Uh oh
I'm falling in love again
Uh oh
I'm falling in love
Uh oh
I'm falling in love again
And it feels like the very first time

Lets take it from the top of the song

(Chorus)

Well my girlfriends think I oughta take it
Take it like a big strong man
But my guy friends think I oughta break it
And get the hell out as fast as I can baby

(Chorus)

Well my mother says I seem really happy
She says I hope shes treating you right
But my daddy says I seem really sappy
And her vice on my nuts is clampin way to tight

My best thinks that I'm a wussy
He tells me I'm gettin pretty whipped
Hes just mad cuz he aint got any nookie
And I'm drinkin all the juice from them big ole lips baby

(Chorus)

Well all my girlfriends think I oughta thank you
For making me feel this way
But all my guy friends think I oughta spank you
For taking my heart and my freedom away

(Chorus 2x)
