Deception is easy and being loyal  
Is not cut out for you  
I hope this betrayal  
Stands up and swings right back at you  
Am I supposed to bury my head in the sand?  
Or should I draw the line somewhere?  
I just don't understand  
Why we can't work things out again?  
You, you're moving on without me  
But Im sure that someday you'll see  
That you and I were meant to be  
Keep moving on without me  
Deception is easy and being loyal  
Is not cut out for you  
You just said: it's not that bad,  
WELL FUCK YOU!  
That's the worst thing you could do  
So what do you expect from me?  
To talk to him?  
That's saying: man Im giving in!  
Im calling out your name  
Right now love and hate are one and the same  
You, you're moving on without me  
But Im sure that someday you'll see  
That you and I were meant to be  
Keep moving on without me  
1, 2, 3, 4  
You, you're moving on without me  
But Im sure that someday you'll see  
That you and I were meant to be  
Keep moving on without me  
Keep moving on without me  
But Im sure that someday you'll see  
Keep moving on  
You're moving on without me
