"This Coma"

I've been sleeping for a whole damn day now
I try to change it but it takes so long
Things will never be the same as before
I'll try and sleep it off like nothing's wrong

I've been sleeping for a whole damn week now
All my friends will probably think I'm dead
Cause the phone is ringing every hour
But I am such a mess, got too clear my head

I could say I'm sorry, but I'm not
I could say I'm sorry

Oh no, I don't want to wake up this time
I'm fine just let me be lonely
This coma is giving me a way out
Just leave me here 'till I'm over me

I've been lying here for too damn long now
Sick and tired and I just can't figure out
How the hell am i supposed to move on
Unable to get out, I'm fucked up

I could say I'm sorry, but I'm not
I could say I'm sorry

Oh no, I don't want to wake up this time
I'm fine just let me be lonely
This coma is giving me a way out
Just leave me here 'till I'm over me

I just want to sleep, never want to wake up
Cause I'm in too deep, try and keep my eyes shut
I just want to sleep, never want to wake up
Cause I'm in too deep
I just can't take another day
No, I won't take another

Oh no, I don't want to wake up this time
I'm fine just let me be lonely
This coma is giving me a way out

Just leave me here 'till I'm over me

Oh no, I don't want to wake up this time
I'm fine just let me be lonely
This coma is giving me a way out
Just leave me here 'till I'm over me
