Ain't it funny?
Ain't it funny?
How things change
But sitting here next to you honey
I can't believe I've fallen in love with you again
'Cause I remember the heartbreak
And I remember the pain
And I remember swearing to myself
I never wanted to see you again

But everything must change
Nothing remains the same
I can't believe it myself pretty baby
But my arms are open again

And hello Janine
You're lookin' pretty,
But you've always looked pretty to me
Janine
You're lookin' pretty, but you've always looked pretty to
me

I see five colored balls
And they're floating in the air
One is red and that's the color of my heart
One is blue and that's the color of despair
One is you, and one is me
And the one that's colored black
Is what's never ever gonna to be

Everything must change
Nothing remains the same
And I can't believe it myself pretty baby
But my arms are open again

And hello Janine
You're lookin' pretty,
But you've always looked pretty to me
Janine
You're lookin' pretty, but you've always looked pretty to
me

Ain't it funny?
Ain't it funny?
How things change
But lying here next to you honey
I can't believe I've fallen in love with you again
'Cause I remember the heartbreak
And I remember the pain
And I remember swearing to myself
I never want to see you again

But everything must change
Nothing remains the same
I can't believe it myself pretty baby
But my arms are open again

And hello Janine
You're lookin' pretty,
But you've always looked pretty to me
Janine
You're lookin' pretty, but you've always looked pretty to
me
