Like the flight of a butterfly This is full of promises All quiet All clear So you can hear

Like the flight of a butterfly
This is full of promises
All quiet
All clear
As you can hear

Like the flight of a butterfly Like the flight of a butterfly

All quiet All clear So you can hear You can hear

Only one world for each other Would you want another? (x2)

Only one world can conceal Such a loss for each other

And if you want to earn something to lose...

And if you want to earn something to lose...

... and rescue... To rescue To rescue, to rescue

Making my space alone Space alone Space alone, space alone I came to stay

Only one world can conceal Such a loss for each other

Only one world for each other

Would you want another?
