I can't contain my love for you  
I wouldn't mind, fighting  
For you, for you

I get it now  
I get the strength  
I'm so ashamed,  
Don't you see I'm sorry?  
Yes I'm sorry

And now I know  
That to get insulted  
And fight for love,  
Loving that I like it,  
Yes, I like it

And when you lie by my side  
Your love Keeps us warm inside  
Showing us how It's like

A new day comes  
And all is true  
And nothing's what it seems  
Nothing

And no-one doubts  
And no-one shuns  
The fear for love has gone at last  
I like it

Something disappeared  
My face is dried with tears  
And now you keep on trying  
Try, try  
And you say why  
You say why  
You say why  
You say why  
Then I cry

And you get fine by my side

You're love keeps us warm inside  
Now I'm high, high, high

And you get fine by my side  
You're love keeps us warm inside  
Now I'm high, high, high

And you get fine by my side  
You're love keeps us warm inside  
Now I'm high, high, high

And you get fine by my side  
You're love keeps us warm inside  
Now I'm high, high, high

And you get fine by my side  
You're love keeps us warm inside  
Now I'm high, high, high
