Finding a base
To grow up smart

There's nothing
Like being far away from home to understand
How it's like

Even the phone calls didn't work
Future plans, success and glory?

Blows your mind,
Blows your mind

Strange days have found us
We have to let them go
Next time, next time we're here

Ready, ready, ready
For so long ready

So I feel like a walk,
That's when I walk
So I sleep not,
But I continue dreaming,
Dreamy dreaming

So I'll wait for the desert
And I'll wait for us,
Yes I'll wait for us
Future and past

And I'll wait for the tide
And I'll wait for us
Yes, I'll wait for us
Future and past

Listen, listen...

I'll wait for the desert
I'll wait for us
I swear to God I'll wait for us

When you realize
I'll wait for the summer day
I'll wait for the tide to stay
I'm waiting for glory
Not much of the story

Drop in my eyes
Drop in my eyes
Drop in my eyes
Drop in my eyes

So I fell like a walk,
That's when I walk
And I sleep not
But I continue
I continue, I continue
I continue...

So I fell like a walk,
That's when I walk
And I sleep not
But I continue
I continue, I continue
I continue...
