You have been always a legend
Still warm, and let me wonder
Maybe is true that I could never
Return home back again
Home back again

But I am a new machine
With the rhythm of blade
From the falling rockets

Name it as you wish
You say any word and
I heard it from another place
I did run as rain
And I get you again

But I am a new machine
With the rhythm of blade
From the falling rockets (x8)

Name it as you wish
Name it as you wish
You say any word and
I can understand
'Cause I'm a new machine
'Cause I'm a new machine

I tell
Name it as you wish
Name it as you wish
You don't say any word then
I can understand
'Cause I'm a new machine
'Cause I'm a new machine

But I am a new machine
With the rhythm of blade
From the falling rockets (x4)

'Cause I'm a new machine
