And now, and now
Shut up for an instance

And how, and how
Stop this stupid violence

And now, and now
Shup up for an instance

You think the way we behave
It's anti esthetic
And if you think the way we feel
It is just pathetic

I have to tell you
That we are extraordinary
And that you're not going to make
No last, a modification
Obviously the power of our rhythms
Would make you change your mind
And make you not to damage our armony

Because it's nothing to do,
Nothing to compare... With this love
There is nothing to do
And nothing to compare with our

Because it's nothing to do,
Nothing to compare... With this love
There is nothing to do
And nothing to compare with our

If you know a way more easier
If you're not to do and treat me right
Oh that's the way

Obviously the power of our rhythm
Would make you change your mind
And make you not to damage our armony
