Under the blankets my body
Like when I was fifteen
Today I need something new

My skin has become my enemy
In a genuine way
Today is the day

Emerge from my bedroom to the real life
From the coffee the sugar high
You know it's saccharin time

Emerge from my bedroom to the real life
From the coffee the sugar high
You know it's saccharin time

I want to feel a sexy light
I want to feel a sexy light
I want to feel a sexy light
I want to feel a sexy light
I see you like a privileged vision
And you are starting at me
Do you feel what I feel?

In this public space a private moment
I need some desperate love
In a primitive way

Emerge from my bedroom to the real life
From the coffee the sugar high
You know it's saccharin time

I know that's what I'm feeling
(I know you got the feeling)
I know that's what I'm feeling
(I know you got the feeling)
I know that's what I'm feeling

I want to feel a sexy light
In my chest, in my life

I want to feel a sexy light
In my chest, in my life

I want to feel a sexy light
I want to feel a sexy light
