First Thing First I Nak Love All My Foes, C'mon It's Like I
Was Born With Brick Bones C'mon I Been This Hard And
This Strong Just A Li'l Rough Hittin' It All In One Song, I
Go For The Gold I Never Wear Silver And Me And The
Color Bronze We Never Got Along, Bumped Into A
Psychic On My Way Home Eyes Grew So Bright When
She Read My Palm Said "I Know it's Dark Now But The
Light Gone Come, So No Matter What You Do Boo
Remain Calm" So I Take That Faith Put It In This Song
And Pray To The One Up High Dat Got Stoned, I Can
Never Feel Alone I am What I Imagine A Man Of Good
Deeds In Land Full Of Famine If I Don't Have Me No
Cash I Still Manage, Cause I Don't Need Me No Cash To
Feel Granted It Seem Like The World Is Full Of Catches
Even A Email Come With An Attachment Take A Look At
The Man In The Business Suit And See The Milk Stain On
His Mustache, Yeah,... Feel The Ability To Give A Man
Humility it's Gettin' Kinda Hot Do You Feel The Humidity
Just Press A Double Arrow If You People Aint Feelin' Me,
A Book Full Of Books That's Some Heavy Artillery You
Can Take That To The Bank Or Could Fill The Hillary,
Look Mama We Made It To D.C Cause We Stood In A
Line For A Whole Week Had A Tough Time On The
Grind But it's Only A Matter Of Time For I Get To Reach
My Own Peak Yeah, And On This Whole CD Umma Give
Ya'll The Best Of Me You Can Believe Dat.

[Bridge- B- Eazy]

Oh it's Been A Long Time And I'm Here Now And I Won't
Stop Cause I Aint Goin No Were... So I Just Sit Up In My
