Featuring: Big & Rich

I play chicken with the train  
Play chicken with the train train  
Unh huh huh, unh huh huh  
You know that I play chicken with the train  
Play chicken with the train train  
Unh huh huh, unh huh huh, yeah

Hold 'em up! Here we go  
All the hicks and chicks feel the flow  
Big black train comin' 'round the bend  
G'won kinfolk tell ya mom'an'em  
Chug-a-lugga, chug-a-lugga, chug-a-lugga who?  
The big blackneck comin' through to you  
Boy, you done fell and bumped your head  
Uh huh, that's what they said

People said it's impossible  
Not probable, too radical  
But I already been on the CMA's  
Hell, Tim McGraw said he like the change  
And he likes the way my hick-hop sounds  
And the way the crowd screams when I stomp the  
ground  
I'm big and black, clickety-clack  
And I make the train jump the track, like that

I play chicken with the train  
Play chicken with the train train  
Unh huh huh, unh huh huh  
You know that I play chicken with the train  
Play chicken with the train train  
Unh huh huh, unh huh huh, yeah

From mic to cassette deep into your ear  
My voice is your choice that you wanted to hear  
Southern boy makin' noise where the buffalo roam

Flesh, denim and bone as you might have known  
See me ridin' into town like a desperado  
With a big belt buckle, the cowboy bravado

All over the world wide web you'll see, download CBT  
on an mp3

Speak clearly what I'm sayin' so you'll comprehend  
Hit the net for hick-hop radio, tune in  
Rollin' like thunder on the scene  
It's kinda hard to describe if you know what I mean  
I never claimed to be the hardest of the roughest hard  
rocks  
But I'm boomin' out yo' box, skills got you jumpin'  
outch'a socks  
From Texas here I come, movin' yo body with a bass  
kick drum

I play chicken with the train  
Play chicken with the train train  
Unh huh huh, unh huh huh  
You know that I play chicken with the train  
Play chicken with the train train  
Unh huh huh, unh huh huh, yeah

I play chicken with the train  
Play chicken with the train train  
Unh huh, unh huh  
I play chicken with the train  
Play chicken with the train train  
Unh huh huh, unh huh huh

You know that I play chicken with the train  
Play chicken with the train train  
Unh huh huh, unh huh huh  
You know that I play chicken with the train  
Play chicken with the train train  
Unh huh huh, unh huh huh, yeah

Huh, yeah, one time  
Get you some of dat
