I've got a driver he's drinkin water
About to cut loose like I know that you oughta
Fill the jukebox with 10 bucks in quarters
Don't line dance cause I leave it to your daughters
Step up and I order my drinks
Satarted passing out the beverage everybody said
thanks
So I raise my glass before I take my sip
Be the end of the night I done spent my grip
Hard-earned duckets hard-earned money
All night telling jokes cause y'all think I'm funny
I'm gonna show you how we do it the Dallas way
I'm bout to stomp a mudhole in this place

Chorus: You'd better lock me up
Before I do something crazy
You'd better find a way to cage me
Somebody throw away the key
You'd better lock me up

Y'all know how the cowboy rocks it
I see em jumpin up down right there in the mosh pit
Too much I stoxic but you can't stop it
Jonesin and tweakin and waitin for me to drop it
My lyrics are spillin can't fake what you're feelin
I'm rockin the whole building mkae way for Nash Villian
Stick em up and grab sky
You need the Party Inflator then I'm the guy

Repeat Chorus

Makin a lap chuggin it downrich finished a bottle of
crown
Shakin and bakin and breakin it down sit back and relax
don't worry or frown
We've come to town bringin the show now we're runnin
your area code
Avoid political rigarmarole I figure my role is givin em
more

Repeat Chorus
