I don't know what you see
That I don't
Don't you know Money doesn't
Grow off trees?
Where have you been?
Have you discovered
My evil sins?
'Cuz I don't know what you see
That I don't

You told me that you were leavin'
That's when I almost stopped breathin'
You told me
That I was conceded
All I can say is
That's all I needed

What Goes around comes around
I hear you cry the biggest sound
Shut the door
Make a scene
As your karma makes you scream
Legondary
Weight you carry
As We both began to bear it
Love it all,
Or It could do you wrong
That's why I sing this painful song

You told me that you were leavin'
That's when I almost stopped breathin'
You told me
That I was conceded
All I can say is that's
All I needed
All I needed
All I neeeeeeeded

Close you eyes
With all you cried
'Cuz in all
Of your lies

Whipe your tears
As you say cheers
Despite your fears

You told me that you were leavin'
That's when I almost stoped breathin'
You told me
That I was conceded
All I can say is
You told me that you were leavin'
That's when I almost stopped breathin'
You told me
That I was conceded
All I can say is that's
All I needed
All I needed
All I needed
You don't have to go
