Personality  
Immortality  
I saw it's raining outside  
It's raining outside  
You're changing

Personality  
Rationality  
Your fame has died  
You think that you cried and you're gone

And I'm waiting  
I'm slaving for this moment  
I just can't wait anymore

Changing  
Waiting  
Changing  
Waiting

The big style  
Isn't worth the while  
She screams at me  
It seems to be that we're fading

All my photographs  
All the perfect laughs  
Are gone from me  
It seems to be that we're changing

Personality  
Rationality  
Your fame has died  
And you think that you cried and you're gone

And I'm waiting  
I'm slaving for this moment  
I just can't wait anymore

Changing  
Waiting  
Changing

Waiting  
[repeat]
