To tell you the truth
I'm very confused
I'm not amused I'm just curious
With all your lies You left behind
What did you find I'm so curious
* I'm so curious Of how you see me
Curious of what went through your head
Curious of how you see me
Curious of what went through your head*
Will I ever know?
Will I ever know?
I'm confused, puzzled, went in a daze
And i know you wouldn't treat me that way
And I've got you on my mind , Everyday
And I know you wouldn't treat me that way
What made you realize?
It came at such a suprise
You gonna to run and hide?
I'm curious
forgive and Forget

Thats what you said
You lost your head
(CHORUS)
Will i ever know?
will i ever know?
Im confused, puzzled, and in a daze
And i know you wouldn't treat me that way
And i got you on my mind everyday
And I know you wouldn't treat me that way
Tell me what you didn't metion
grab this wish and no more tension
I'm confused,puzzled, and in a daze
and i know you wouldn't treat me that way
and i got you on my mind, Everyday and
I'm confused, puzzled, and in a daze
and i know you wouldn't treat me that way
and i got you on my mind, Everyday
and i know you wouldn't treat me that way
