I get up in the evening, and I ain't got nothing to say  
I come home in the morning, I go to bed feeling the  
same way  
I ain't nothing but tired, man I'm just tired and bored  
with myself  
Hey there baby, I could use just a little help  
(Chorus)  
You can't start a fire, you can't start a fire without a  
spark  
This gun's for hire even if we're just dancing in the  
dark

Message keeps getting clearer, radio's on and I'm  
moving round the place  
I check myself out in the mirror I wanna change my  
clothes my hair my face  
Man I ain't getting nowhere just sitting in a dump like  
this  
There's something happening somewhere baby I just  
know that there is

(Chorus)

You sit around getting older there's a joke here  
somewhere and it's on me  
I'll shake this world off my shoulders come baby this  
laughs on me  
Stay on the streets of this town and they'll be carving  
you up alright  
They say you got to stay hungry hey baby I'm just about  
starving tonight  
I'm dying for some action I'm sick of sitting 'round here  
trying to write  
this book  
I need a love reaction come on now baby give me just  
one look
