Ba, ba, ba, ba, ba, ba, ba, ba, ba, ba, ba, ba

So you want to,
I will save you,
From the headache,
That she gave you,

With motor mouth,
That's her name
Motor mouth,
She's insane

Chatter chatter chatter chatter box [x2]
Say it

Ba, ba, ba, ba, ba, ba [x2]

She's got me,
In a headlock,
All she does is,
Talkity, talk, talk

She's a motor mouth,
That's her name
Motor mouth,
She's insane

Chatter, chatter, chatter, chatter box [x2]

Ba, ba, ba, ba, ba, ba [x2]
