Know of this place i go some summer nights
It takes me up and down those skocking lights
Rocks me to bed it doesn't know that i'm awake
Lady with a bowl of rice- a man turnig off the lights
(sometimes) sometimes i'll be there
(sometimes) i won't
(sometimes) sometimes i'll see u there
(sometimes) sometimes i won't
And i don't
Cause it's my house
It's my day
It's my place so go away
But u can stay, u can stay
U can stay, u can stay
Ucan stayya, u can stay
U can stay u can stay
Mysteries of the past in one final blow,
The future is the 1 that u know must go
It's a table of consciencein a room filled with tears
A cued-up sense of life-drained fromallthese year
(sometimes) sometimes i'll be there
(sometimes) sometimes i won't
(sometimes) sometimes i'll see u there
(sometimes) somtimes i won't
And i don't
Cause it's my house
It's my day
It's my place
So go away
But u can stay, u can stay
U can staayyaa, u can stay
U can staaayyyyaaaaaaaa
U can stay, u can stay
U can stay, u can staayyaaa
But u can stay
