Addicted taxi ca-a-a-a-a-a-ab

When your walking around and your late
The buses are packed
And the subways you hate
You need a taxi cab
Ohh you need a taxi cab

When you should of been there an hour ago
When you don't have the time and your feeling low
You call a taxi cab
Ohh you need a taxi cab

Ooo yeah oh-ay
Ooo yeah oh-ay
