I saw her sitting in the rain
raindrops falling on her
she didn't seem to care, she sat there and smiled at
me!!

Then I knew
(I knew, I knew, I knew, I knew!)
she would make me happy
(happy, happy, she could make me very happy)
Flowers in her hair, Flowers everywhere

(chorus):
I love the flower girl...
oh I don't know just why she simply caught my eye
I love the flower girl...

she seems so sweet at night
she kept a tune in my mind

I knew I had to say hello
(hello, hello!)
She smiled up at me
Then she took my hand
and we walk in the park alone

Then I knew
(I Knew, I knew, I Knew)
she had made me happy
(happy, happy)
flowers in her hair
flowers everywhere

(chorus)...

Suddenly the sun broke through
(see the sun)
I turned around and she was gone
and all I had left, was one little flower in my hand

Then I knew
(I knew, I knew, I knew, I knew)
she would make me happy

(happy, happy)
Flowers in her hair, Flowers everywhere

I love the flower girl
was she reality or just a dream to me
I love the flower girl
well i'll show me the way to find a sunny day
(sunny day....)
Fade!

I love the flower girl
was she reality or just a dream to me
