I saw her sitting in the rain
Raindrops falling on her
She didn't seem to care
She sat there and smiled at me
Then I knew (I knew I knew I knew I knew)
She could make me happy (Happy Happy She could
make him happy)
Flowers in her hair Flowers everywhere (everywhere)

*(I love the flower girl)
Oh I don't know just why she simply caught my eyes
(I love the flower girl)
She seemed so sweet and kind she crept into my mind
(into my mind)

I knew I had to say hello (hello hello)
She smiled up at me
Then she took my hand and we walked through the
park alone
Then I knew (I knew I knew I knew I knew)
That she had made me happy (happy happy she had
made him)
Flowers in her hair (hair) Flowers everywhere
(everywhere everywhere)

* (chorus)

Suddenly the sun broke through (see the sun)
I turned around she was gone (where did she go)
All I had left was one little clump of her hair
But I knew (i knew i knew i knew i knew)
She had made me happy (happy happy she had made
him)
Flowers in her hair (hair) Flowers everywhere

(i love the flower girl)
Was she reality or just a dream to me
(i love the flower girl)
Will love show me the way to find a sunny day
(sunny sunny day sunny day)
