(Words & Music By Namosh E. Arslan)

The same shit everyday
Action and words
To have a friend is better
Close closrr close to lunacy
Same order everyday
Action in words
Dont mean nothing to me
What made me do it?
Who made me want it?
When am I through with it?

Ass down -youre doing good
Ass down -youre doing good
Face up -temporary moods
Face up -temporary moods
Sit your ass down were driving through
Sit your ass down were driving through
Ass down -youre doing good
Ass down -youre doing good

Youll find me in and on air and everywhere
Cause I know that you care
I slip into your clothes
And sit on your chair
Now youre aware so now you dont care
Now youre aware so now you dont care
What made me do it?
What made me want it?
When am i through with it?

The same steps everyday
Phonecalls and Birds
They are your friends
Close closer close to lunacy
The same order everyday
Action and words dont mean nothing to me
Who made me do it
What made me want it
when am i through with it?

I tell you close closer close to lunacy Close closer to lunacy Close closer close to lunacy Close closer to lunacy Close closer close to lunacy

Light on -youre doing good
Light on -youre doing good
Hands up -for shitty moods
Hands up -for shitty moods
Cut shit -its all good!
Cut shit- its all good!
Good good like you always do
Good good like you always do
