As I've looked around  
At the life I'm living  
More and more, I found  
Life is for the giving  
Children know the way  
Loving and forgiving

All over the world  
The children are singing  
All over the world  
You see them at play

Why must we destroy  
The joy they are bringing?  
All over the world  
Let love show the way

Then, we were very young  
Love's a gift for sharing  
But as we grow up  
We forget the caring  
Why must we go on  
Distrusting and despairing?

All over the world  
The children are singing  
All over the world  
You see them at play

Why must we destroy  
The joy they are bringing?  
All over the world  
Let love show the way

Innocent and free  
Hear the children's laughter  
Why can't people be  
Happy ever after?  
Let this song of hope  
Ring from every rafter

All over the world

The children are singing  
All over the world  
You see them at play

Why must we destroy  
The joy they are bringing?  
All over the world  
Let love show the way

There in Neverland  
See the children playing  
Walking hand in hand  
Innocently playing  
Can't we understand  
A single word they're saying?

All over the world  
The children are singing  
All over the world  
You see them at play

Why must we destroy  
The joy they are bringing?  
All over the world  
Let love show the way

All over the world  
The children are singing  
All over the world  
You see them at play

Why must we destroy  
The joy they are bringing?  
All over the world  
Let love show the way
