Build your dreams
To the stars above
But when you need
Someone true to love
Don't go to strangers
Darling, come to me

Play with fire
Till your fingers burn
And when there's no place
For you to turn
Don't go to strangers
Darling, come on to me

For when you hear a call
To follow your heart
You'll follow your heart
I know
I've been through it all

And I'm a old hand
And I'll understand
If you close up

So make your mark
For your friends to see
But when you need
More than company
Don't go to strangers
Darling, come to me

Don't go to strangers
Darling, come on to me
