Ooh, oh, listen

Girl, you have had played on my mind before
Yes, you did
But this time, I can't turn my back on you, no
No, no, no

Your mean evil ways, the games that you play
The things that yo do and say
My love, you reject, you show no respect
I'm tired of you treating me like that, oh

I don't know if I love you anymore
I'm not sure, you're the girl I used to know

Uh, uh, oh baby, baby, baby
Now I know, I know, you remember

Last night you went a little bit too far
Yes, you did
I saw you outside with your friend in that car
You know that ain't right, girl

It feel it don't change not one single thing

It didn't work on woman or man
I'm tired and fed up, no love and no trust
I wonder what happened to us, no

I don't know if I love you anymore
I'm not sure you're the girl I used to know
I don't know if I love you anymore
I'm not sure you're the girl I used to know

Baby, you're acting strange
But that won't change one thing

It feel it don't change not one single thing
If it was a woman or man
I'm tired and fed up, no love, no trust
I wonder what happened to us, oh babe

I don't know if I love you anymore
I'm not sure you're the girl I used to know
I don't know if I love you anymore
I'm not sure you're the girl I used to know
