1.

Love is a shiny car  
Love is a steel guitar  
Love is a battle scar  
Love is the morning star

Love is a twelve bar blues  
Love is your blue suede shoes  
Love is a heart abused  
Love is a mind confused

R.

Love is the pleasures untold  
And for some love is still a band of gold  
"My love has no reason, has no rhyme"  
My love crossed the double line

2.

Love is a minor chord

Love is a man to hold  
Love is a drawn sword  
Love is it's own reward

Refrain (Bis)

"My love has no reason, has no rhyme"  
My love crossed the double line  
"My love has no reason, has no rhyme"  
My love crossed the double line  
"My love has no reason, has no rhyme"  
My love crossed the double line
