Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies

You know the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-string that play soft and low

You know the night's magic
Seems to whisper and hush
And all the soft moonlight
Seems to shine as you blush

Can I just have a one more dance
With you whom I love?
Can I just make some more romance
With you whom I love?

Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies

You know the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-string that play soft and low

You know the night's magic
Seems to whisper and hush
And all the soft moonlight
Seems to shine as you blush

Can I just have some more romance
With you whom I love?
Can I just have some more dance
With you whom I love?

Well, it's a wonderful night for a romance
With the stars up above in your eyes

A fantabulous night to make romance
'Neath the cover of October skies

You know the night's magic
Seems to travel and hush
And all the soft moonlight
Seems to shine as you blush

Can I just have a one more dance
With you whom I love?
Can I just make some more romance
With you whom I love?
