I tell my heart to be careful
Not to rush in your arms recklessly
I tell my heart to be careful
But my heart won't listen to me

I know it's too soon to be certain
So I say to my heart wait and see
I don't want to end up hurtin'
But my heart won't listen to me

You've got me all aglow
Yet I know I only met you tonight
And what I feel for you, it's so new how
Can I be sure it's right

I say to my heart as I kiss you
Fools fall in love carelessly
But how can I try to resist you
When my heart won't listen to me

Oh! I don't want to end up hurtin'
But my heart won't listen to me

You've got me all aglow
Yet I know I only met you tonight
And what I feel for you it's so new how
Can I be sure it's right

Oh! I say to my heart as I kiss you
Fools fall in love carelessly
Oh but how can I try to resist you
When my heart won't listen to me

When my heart won't listen to me
