Oh mamma mamma  
I am very happy  
I never knew  
A girl happier than me  
The bells are peeling  
And my head is reeling  
I have got a feeling  
This just cannot be  
La la la la.....  
La la la la.....

I hear the music  
Floating through the window  
And I see them dancing  
In the city square  
My heart is beating  
And keeps on repeating  
I will soon be meeting  
My lover who is there

Refrain

Oh mamma mamma  
Mamma wish me well now  
Help me weave a spell now

Make my lover care

Eyes as bright as jewels  
In the moonlight  
He's the one, the only one  
And I love him so  
Oh! please mamma  
Tell me I look pretty  
I must be on my way  
I can't wait to go

Oh soon my love  
And I will be together  
Into a new world  
We will dance away

Oh!mamma maybe  
He's going to tell me  
Darling,we will marry  
What a happy day
