****Refrain**

Love changed our lonely lives
Caught us by surprise
Opened up our eyes
Somehow we both knew
Something rare and true
Something bright and new
Could be ours forever
But love love can not be planned
More you try to learn Less you understand
Words could not dispel
What we know so well
Only time will tell Like a tree
As it grows We will reach
For the sky
Like a breeze

Gently blows
We'll be free
You and I
For we know
Time alone
Holds the key*

***Refrain**

Only time alone will tell
Darling, only time will tell
