Sometimes, I remember the old days
When the world was filled with sorrow
You might have thought I was living but I was all alone
in my heart
The rain was falling, the wind blew, the night was
calling
Come back, come back, I'm all you've ever known

Open the door and come on in
I'm so glad to see you, my friend
You're like a rainbow coming around the bend
And when I see you happy, well, it sets my heart free
I'd like to be as good a friend to you as you are to me

There were friends who could always see me
Through the haze, their smiles would reach me
Saying, "Okay", saying, "Goodbye", saying, "Hello"
Now we've perhaps stormy weather, the sunshine
though
When we're together, I'll be your friend, right through
to the end

Open the door and come on in
I'm so glad to see you, my friend
You're like a rainbow coming around the bend
And when I see you happy, well, it sets my heart free
I'd like to be as good a friend to you as you are to me

Open the door and come on in
I'm so glad to see you, my friend
You're like a rainbow coming around the bend
And when I see you happy, well, it sets my heart free
I'd like to be as good a friend to you as you are to me

Open the door and come on in
I'm so glad to see you, my friend
You're like a rainbow coming around the bend
And when I see you happy, well, it sets my heart free
I'd like to be as good a friend to you as you are to me
