1-

There is a song I hear everytime you' re near

That goes on and on inside my ear

It' s a natural song for two, I' m singing with you

It' s a melody just for you and me

And it' s got the sweetest harmony

And as long as you want me to, I' m singing with you

2-

La la la la la I' m singing my loving song

La la la la la I' m singing it all day long

Not a song that' s going strong

On any music chart

Just a la la la la la playing in my heart

3-

It goes round and round with a special sound

That you hear wherever love is found

And loving you like I do, I' m singing with you

Nothing can go wrong when we' ve got a song

And someone else to sing along

And I hope I will live life through, singing with you

Repeat 2

Just a la la la la playing in my heart

Just a la la la la playing in my heart
