Till the white rose blooms again  
You must leave me, leave me lonely  
So goodbye my love till then  
Till the white rose blooms again

The summer days are ending in the valley  
And soon the time will come when we must be apart  
But like the rose that comes back with the spring time  
You will return to me when spring time comes around  
Till the white rose blooms again  
You must leave me, leave me lonely  
So goodbye my love till then  
Till the white rose blooms again  
Till the white rose blooms again  
You must leave me, leave me lonely  
So goodbye my love till then  
Till the white rose blooms again

Goodbye till then  
Goodbye till then  
Goodbye till then
