Till the rivers all run dry  
Till the sun falls from the sky  
Till life on earth is through  
I'll be needing you

I know sometimes you may wonder  
From things that I might say and do  
But there's no need for you to wonder  
If I need you cause I'll need you

Till the rivers all run dry  
Till the sun falls from the sky  
Till life on earth is through  
I'll be needing you  
Too many times I don't tell you  
So many things get in the way  
And even though sometimes I've hurt you  
Still you show me in every way

Till the rivers all run dry  
Till the sun falls from the sky  
Till life on earth is through  
I'll be needing you  
Till the rivers all run dry  
Till the sun falls from the sky  
Till life on earth is through  
I'll be needing you
