There were bells on the hill  
But I never heard them ringing  
No, I never heard them at all  
Till there was you

There were birds in the sky  
But I never saw them ringing  
No, I never saw them at all  
Till there was you

And there was music  
And there were wonders for roses  
They tell me it's sweet  
Fragrant mellows of dawn

Until there was love all around  
But I never heard it singing  
No, I never heard them at all  
Till there was you
