What now my love, now that you've left me
How can I live, through another day?
Watching my dreams, turning to ashes
And my hopes into bits of clay

What now my love, now that you're gone
I'd be a fool to go on and on
No one would care, no one would cry
If I should live or die

Et maintemant
Que vais-je faire
De tout ce temps
Que sera ma vie

De tous ces gens
Qui m'indiffèrent
Maintenant
Que tu es parti

What now my love, now that you're gone
I'd be a fool to go on and on
No one would care, no one would cry
If I should live or die

What now my love, now there is nothing
Only my last goodbye
