Across the morning sky, all the birds are leaving
Ohh, how can they know, it's time for them to go?
Before the winter fire, we'll still be dreaming
I do not count the time

Who knows where the time goes
Who knows where the time goes

Sad deserted shore, your feathered friends are
leaving
Ohh, but then you know, it's time for them to go
But I will still be here, I have no thought of leaving
I do not count the time

Who knows where the time goes
Who knows where the time goes

And I am not alone while my love is near me
And I know it will be so till it's time to go
So come the storms in winter and then the birds in
spring again
I do not fear the time

Who knows how the love grows
Who knows where the time goes
Who knows how the love grows
Who knows where the time goes
Who knows where the time goes
